

# Cotton Ball Snowman

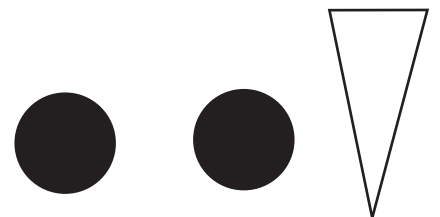

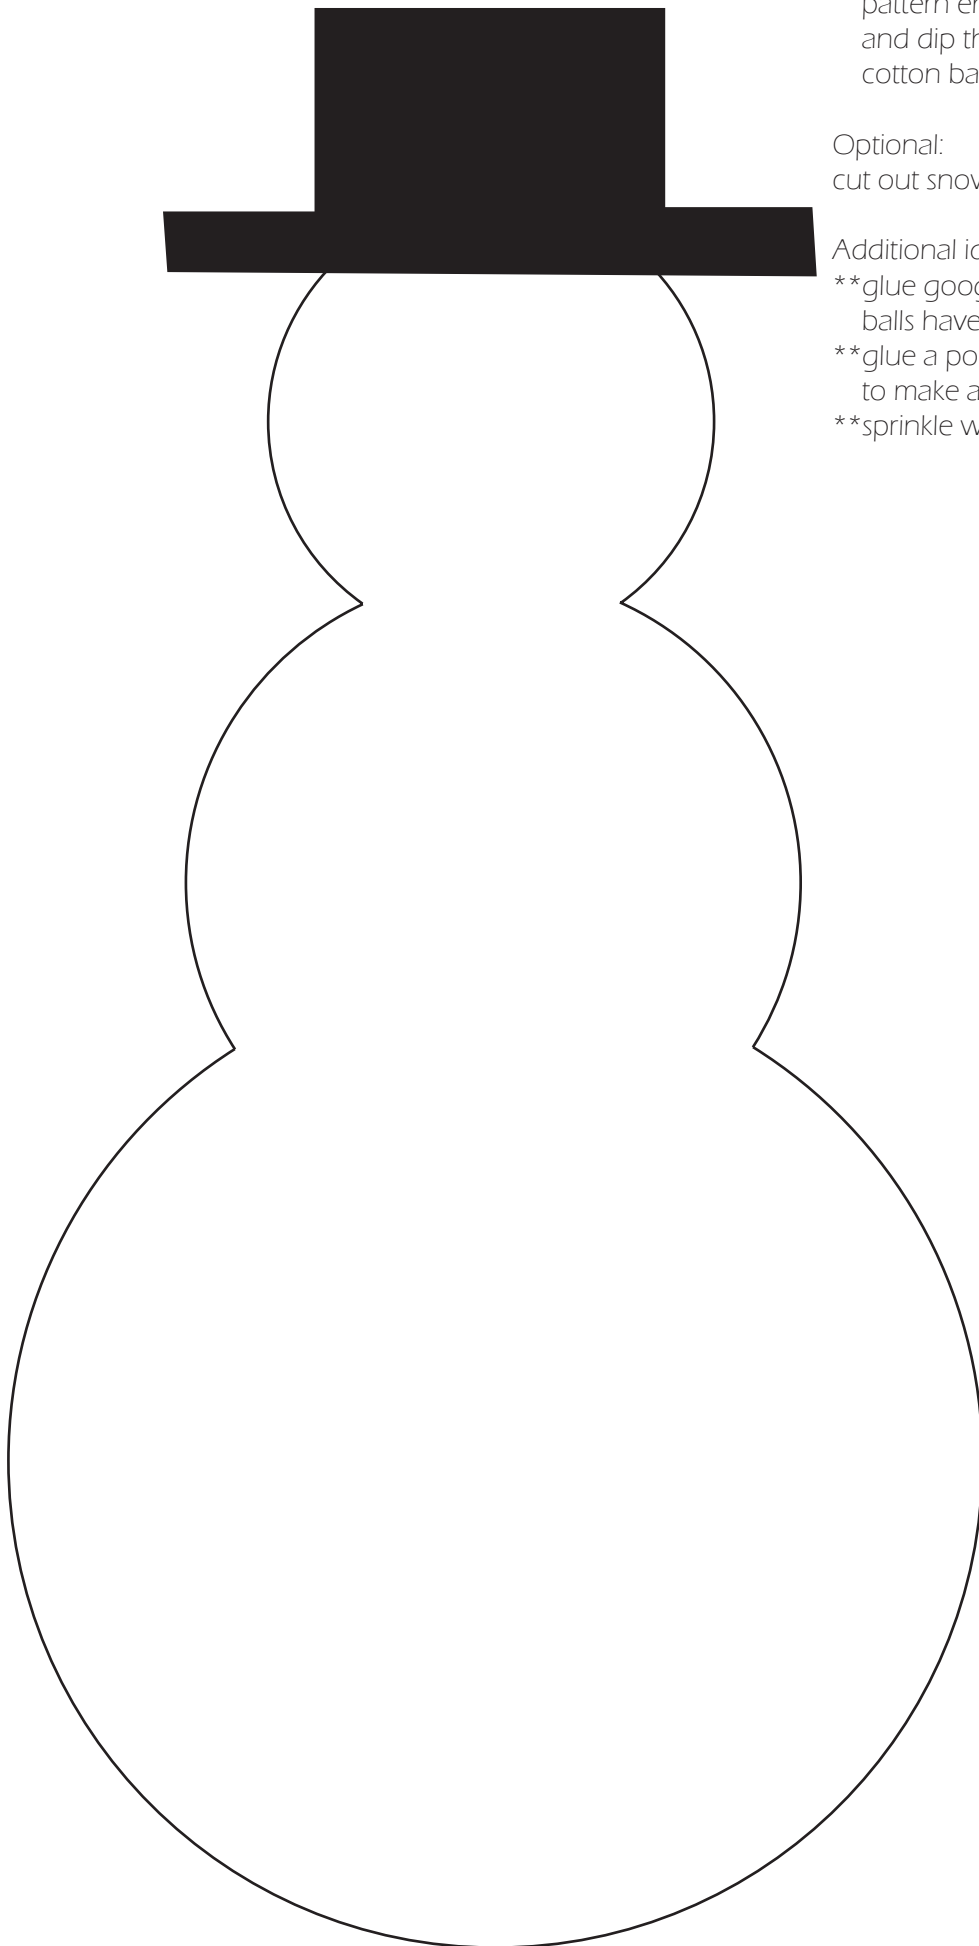

1. Pour PVA glue in a disposable plastic tray
2. Place cotton balls on the table with snowman pattern encourage kids to pick up cotton balls and dip them into the glue, placing the gluey cotton balls inside the snowman shape.

Optional:

cut out snowman, eyes and carrot-nose for glueing

Additional ideas:

- \*\*glue googlie eyes on the snowman when cotton balls have all been applied
- \*\*glue a popcicle stick to the back of the snowman to make a puppet
- \*\*sprinkle with glitter before the glue dries

Coal eyes and carrot- nose
